To Whom It May Concern:

Due to a recent accident, my vehicle has been damaged.

As a result of the damage I have lost the availability and convenience of my vehicle during the assessment/repair or settlement period. I will likely use the replacement vehicle for similar purposes that I used my vehicle for before the accident which include domestic, household and family purposes. From the outset of the rental period I do not intend on being away or abroad for any reason. I do not have another vehicle readily available to me.

Yours faithfully fgf
